

Accounting Made Easy in the Netherlands

Professional Accounting Services for International Entrepreneurs

Bookkeeping, VAT Returns, Corporate Tax and Financial
Compliance for Dutch Businesses.

We help entrepreneurs and business owners stay compliant with Dutch regulations —
so they can focus on growing their business.

Rotterdam · The Netherlands

About HNFS

At Haya Netherlands Financial Solutions, we provide reliable and professional accounting services for Dutch companies and entrepreneurs.

We understand that managing a business is challenging, especially when you are not familiar with Dutch tax and reporting requirements. Our goal is to simplify the process and ensure that your business remains compliant with all applicable regulations.

Why Choose Us?

- ✓ Professional and reliable service
- ✓ Clear communication in English
- ✓ Support for international business owners
- ✓ Timely tax and VAT filings
- ✓ Affordable and transparent pricing

Our Services

Bookkeeping

Accurate and organized bookkeeping to keep your financial records up to date.

VAT Returns

Preparation and submission of Dutch VAT returns, including ICP declarations.

Corporate Income Tax

Professional preparation and filing of corporate income tax returns.

Annual Accounts

Preparation of annual financial statements and Chamber of Commerce (KVK) publication.

Personal Income Tax Filing

Specialists in filing personal income tax for expats and foreign shareholders.

Tax Advice

We guide you through tax matters, VAT on transactions and choosing the right business structure.

Support for International Entrepreneurs

Specialized assistance for business owners living outside the Netherlands.

Ongoing Financial Support

Answers to your accounting, tax and compliance questions whenever you need help.

Let Us Handle Your Accounting

Whether you have just started your company or already operate an established business, we are here to help.
